

## **STTA, Anti-Corruption Policy Reform and Analysis Expert**

### **Support to Anti-Corruption Champion Institutions (SACCI) Program in Ukraine**

#### **Company Profile:**

MSI, a Tetra Tech Company, is a Washington, D.C. metro area international development firm with a 35-year history of delivering development results across the world. Our core expertise is in the fields of monitoring and evaluation (M&E), institutional development, public sector management, governance and anti-corruption. MSI has implemented projects in 90 countries around the world such as Jordan, Kenya, Indonesia, Syria, Pakistan, Afghanistan, Ukraine, Colombia and Mexico. As one of the leading companies in our field, MSI has partnered with organizations across all sectors of international development to support clients ranging from large bilateral and multilateral donors such as USAID, the World Bank and the United Nations Development Program to national and local governments, nongovernmental organizations (NGOs), think tanks, foundations and universities. For more information on MSI, please visit our website at [www.msiworldwide.com](http://www.msiworldwide.com).

#### **Project Summary:**

The Support to Anti-Corruption Champion Institutions (SACCI) Project in Ukraine is a five-year USAID initiative with the objective to assist Ukraine to reduce corruption and increase the accountability and transparency of governance. The program seeks to empower key government institutions to fight corruption, build public support for and engagement in anti-corruption efforts, and reduce citizen tolerance to corruption.

**\*\*Please note: Only citizens of Ukraine are eligible for this position\*\***

#### **Position Summary:**

MSI is seeking a short-term Anti-Corruption Policy Reform and Analysis Expert who will be seconded to work in and for the Administration of the President of Ukraine, Anti-Corruption, Justice, and Law Enforcement Reform Support Team. The core role of the expert would be to assist the Administration with assessing the current status of anti-corruption policy effectiveness, generate proposals for improving its elements, draft memoranda, analytical notes, draft regulations and, potentially, elements of draft legislation. The expert will liaise with international partners on issues of anti-corruption policy effectiveness and summarize and adapt for domestic application elements of international anti-corruption policy practices that may be promising for Ukraine.

Embeddedness of the expert means that he or she will be permanently located within the Administration (working on-site) and will participate in SACCI-initiated meetings and events upon notification.

**Expected level of effort is up to 150 working days between July 01 and December 31, 2019.**

#### **Responsibilities:**

In cooperation and under the supervision of the SACCI team, and at the request of the Administration, the Expert is expected to:

- Develop analytical notes, reports and memoranda on effectiveness of the current anti-corruption policy and supplant these with practical recommendations on improvement of policy elements;
- Review, analyze and adapt to Ukrainian regulatory environment anti-corruption practices borrowed from the international context in such a way that these are compliant with Ukraine's domestic

legislation, commitments under international conventions and treaties, and international conditionality;

- Draft regulations, elements of draft laws and other legal instruments in the anti-corruption sphere;
- Liaise with international delegations, representatives of foreign agencies that work on issues of corruption prevention, investigation and prosecution, and provide the Administration with relevant out-briefs;
- Participate in SACCI and Administration-organized events;
- Assist the SACCI team with issues of monitoring and evaluation, and reporting on progress achieved by the Administration on implementing anti-corruption initiatives;

**Qualifications:**

- Higher education in law, social sciences or other relevant fields;
- Over three (3) years of experience with legal issues (drafting and policy analysis) in anti-corruption for the government or civic sector;
- Demonstrated experience in managing complex projects / initiatives;
- Excellent organizational skills to meet deadlines;
- Fluency in Ukrainian required. Working knowledge of English;
- Excellent advocacy skills

\*Deadline for applying for this position – 21 June 2019, 18:00 Kyiv time\*

Please use Internet Explorer when applying for this position.

Only candidates who have been selected for an interview will be contacted. No phone calls, please.  
MSI is an EEO/AA/ADA Veterans Employer.
